

**DC/DC Converter**

**Non-Isolated DC/DC Converter**

- Standard non-isolated DC/DC converter for board mount, high reliability for industry, commercial, communication, transportation
- and medical application.
- Output current 500mA and 1000mA
- Input nominal voltage: 5V, 12V, 15V, 24V, 48V
- Output voltage: 3.3V, 5V, 9V, 12V, 15V, 24V, 48V
- Input-output isolated voltage: 1KV
- Customized voltage is welcome.
